1. How old is this popstar?
2. What do you think a *かしゅ* is?
3. What is her favourite food?
4. What is her favourite colour?
5. Is tennis one of her hobbies?

Eye on Japan

Karaoke is a very popular hobby in Japan. Find out more about this national pastime.

Answer the questions below.

- Where can people do karaoke?
- Who likes to try karaoke?
- When do they do karaoke?
- What is a karaoke box?
- How much can it cost?
- What songs are popular?

Let's get technical

Using a program such as Microsoft Publisher, design a CD cover (front and back) for a real or imaginary Japanese band or singer. If you make up your own remember to make it appropriate to Japanese culture.

Your CD cover should include: album title, name of band, title of songs and some illustrations. The illustrations should be linked to the band or the songs they sing.
